Knight/Family of the Year dinner

The party originally set for April 29th has been rescheduled for June 17th. Hope you all can make it.

Meetings:

Please come to our next meeting to see what has been happening in and around the council since the last time you were there. Need a ride? Can't drive at night? Call me.

Corporate Communion:

Our last Corporate Communion was held April 23rd at St. John's in Allenton. We had a very good turnout. Next one will be at St Nicholas in Capac, July 23rd 11 am Mass.

Casino Bus Trip Postponed

The date had been set – April 1st. We did not get the required minimum participation. Maybe in the fall??

Dues Requests

Letters are in the mail. Did you know? The council still has to pay the state and supreme per member assessments, even if dues are not paid by the members. Please respond.

Elections:

Coming at the **May** meeting!!! We will need a new Grand Knight in June, and a 3 year Trustee, at a minimum. Think and pray on it. The life of the council depends on it.

Membership

In this new fraternal year we would like to continue to add new members.

Please: ASK SOMEONE!!!

Fish Fries

We had a fair Lenten Fish Fry season. The 2 dates we had to run on generators surely hurt our profits. The council sends big **THANK YOU** to those that made it possible.

From Advocate Ken Orzel:

We would like to thank the Two Youth Groups for helping out at the fish fry's. Capac's Band and Choir and the Ranch Horse Youth Group were first timers led by Brother Johnny Rodriguez and did a GREAT JOB and we hope to see them back next year.

Brother Knights, if there are other groups we can consider please let us know. I have found interest from the Imlay City Equestrian Team.

Kitchen Crew was awesome: different Captains but NOT ONE fish went OVERBOARD ! There were all kinds of remarks stating BEST fish ever. Thank you everyone, we can't do it without you.

Subject: Revelation study with Jeff Cavins - 11
sessions

Sunday study will be held after 9 AM Masses
at KoC hall Imlay. Plan to start Sunday, July 9.

Happy studying and may God help us to
understand this awesome book.

Contact Daphne to sign up.

Building Corp.

Light to be added, and fence repairs made out
back, when weather permits.

Mini work bees are still happening most
Tuesdays from 9 to 11 am, or so. All are
welcome to join us.

Hall Rentals

In addition to the hall's phone, rental
information can be found on our web site
kofc4556.com or by calling Louis Parsch at
810-724-6630.

The web site is also a good way to keep up
with current council activities and member
information, such as obituaries. If you have
something you would like on the site – contact
Louis Parsch.

Newsletters

We are working our way towards sending the
letters electronically – email. We have 40 some
addresses so far, and would appreciate yours.
It will save the council time and money. Of
course, we will still print some for those that do
not “do” emailing.
