Grand Knight's Message

As we begin the New Year, let us give all Catholic men the opportunity to join our ranks. Ask and you might surprise yourself. Be sure to have a Form 100 (membership application) available. Call me at 810-724-6630, and I will send you some. We have 2 signed applications in hand, to date. Let's get more!!

We are having an organizational meeting Wednesday, Jan 31st @ 7 pm at the hall. Purpose: to plan all activities for the fish fry's that are starting the Friday after Ash Wednesday. Besides the fall gun raffle, this is the Councils only big fund raiser. Workers are needed, and we need to know beforehand that you are coming. If you are unable to come to help, please pray for our success.

Our last Corporate Communion at St. Cornelius was very well attended!!

Your GK, Louis Parsch

The web site is a good way to keep up with current council activities and member information, such as obituaries. If you have something you would like on the site – contact Louis Parsch. Or email Michelle from the site

In addition to calling the hall's phone, rental information can also be found on our web site or by calling Louis Parsch at 810-724-6630.

Membership

In the coming fraternal year we would like to continue to add new members.

Please: ASK SOMEONE!!!

Building Corp.

Tuesday morning work continues, and needs volunteers. We are there roughly 9 am to 11 am. Replacing lights, moving & cleaning shelving, repairing broken fencing are a few of the tasks. Join us if you can.

Would any of you be available any **Saturday**? Please, let any of our officers know.

Newsletter Editor Wanted

It has come time for me to step down from the editor job. I can help someone else get started. I have been using a simple Word Document format. Other officers contribute content.

Are there any volunteers? Or would you rather not have a council newsletter? Contact me with questions/comments.

It is dues time again

Our Financial Secretary has sent out the yearly requests for dues and donations. So far he has gotten only a 50% response. Even if you don't come to meetings or only help anytime, the council has to pay the State and Supreme per member fees. And the Columbian Magazine and papers are part of the benefits paid for by your dues. **Please Respond to the letters!**
