## Grand Knight's Message

Worthy Brothers, Vivat Jesus!

Praying all is well for you and your family. The Lord has blessed us with an early Spring- get out and make the best of it.

Please continue with your daily devotions and prayers as we navigate through these trying times, as they do make a difference.

Some days are better,  
Some days are worse.  
Look for the blessing,  
Instead of the curse.  
Be positive, stay strong  
And get enough rest.  
You can't do it all,  
But you can do your best.

GK Rick Woodworth

### Financial Secretary's Message

3rd Notices for dues requests for 2021 are going out. Last year was a tough year for everyone. This year things are a bit better, and the council has received some generous donations, in addition to a majority of members paying their dues. **Thanks** to all that have responded thus far.
